TRAINING CONTENT FEEDBACK REPORT

Feedback Summary

What did you find most beneficial?

Learned how to operate the Machine and was privileged to be part of training

Learned to work as a team and no one was left behind during the training

The practical part of the training

Theory part on safety

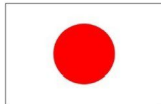

Enough practical time on the machine

Everything was beneficial

Clear teaching instructions by the trainers

Training content

Acquired a skill in Excavator operation

Feedback Summary

What should be improved ?

Adequet preparation for theory sessions

Timetable management

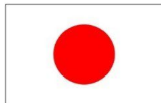

Increase individual time spent on the machine

Hire more instructors

Build more classes for the HEO Training

Accept individuals with less qualifications like grade 9 who are interest in the training

Effective communication from management on the training

HITACHI

Reliable solutions

Feedback Summary

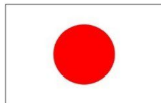

Any other points of view:

Buy more machines for the training

Buy more machines

Increase sensitization on the training to the youths

Grateful for the training

HITACHI

Reliable solutions
