

## About Us

- Started in 1984, we are one of the leading institutional terry product exporters in India.
- We export our products to leading hotels, hospitals, institutions, retail and institutional suppliers across the world including UK, France, USA and all over India.
- We produce 100% cotton products with strict quality control and minimal usage of chemicals, resulting in a luxurious yet highly eco-friendly product.
- We produce a full range of high-quality terry towels for Hotel, Bath, Beach, Spa, Hospital, Industrial and Kitchen uses.
