

KITWE VOCATIONAL TRAINING CENTRE (KVTC) KNOWLEDGE SHARING SESSION REPORT-02

3/23/2023

VISITED

CITIWORKX ZAMBIA LIMITED
BELL EQUIPMENT COMPANY ZAMBIA LIMITED
CAMCO EQUIPMENT ZAMBIA LIMITED

HITACHI
Reliable solutions

1.0 INTRODUCTION

In line with project activity 3.3, establishing a career service centre at Kitwe Vocational Training Centre (KVTC) prompts the need to excessively engage the industry for synergies and possible Memorandum of Understanding that will give an opportunity to students to do attachments, internships, industrial tours and apprenticeships as we commence the training.

On March 23rd, 2023, we conducted three knowledge sharing sessions (industry visits) along with Mr. William Goldsmith, the Technical Advisor from the United Kingdom. The main purpose of these visits was to collect information from the industry regarding their views, suggestions, proposals, recommendations, and protocols pertaining to the design phase of the construction of the new workshop at Kitwe Vocational Training centre (KVTC).

2.0 COMPANY VISTED

- Citiworkx Zambia Limited
- Bell Equipment Company Zambia Limited
- CAMCO Equipment Zambia Limited.

3.0 VISITING DELEGATION

2	Director	Danny Simwanza	Citiworkx Zambia Limited
3	Financial Director	Andrew Ngwata	Bell
4	Service Director	Tyrone Coetzee	Bell
5	Trainer	David Kapeso	CAMCO

5.0 OUTCOMES OF THE MEETING

The following points were brought out during the progressive and informative meetings done with the stated companies that were visited.

- The ideal way on how the new workshop can be constructed with regard to the new Heavy Equipment Operators workshop to be constructed at KVTC.

- Possibilities of student placements in industries, this will enhance students acquired skills to fully suit the needs of the employers.
- Synergies for all parties, this entails that parties can achieve more if efforts can be combined than we an individual entity produces alone.
