Mozambique Business Environment Update under Covid19

- UNIDOアフリカアドバイザーによる最新現地ビジネス環境レポート -

Nandio Duraó, Business Advisor in Mozambique, UNIDO

11 May 2020

Introduction

- As the rest of the world, Mozambique is being affected by the COVID19 since its outbreak
- Since the beginning of the year, several measures have been taken to mitigate social and economic impacts
- If from ne side the current situation poses challenges to FDI and Japanese companies in the country, on the other side opens some opportunity windows.
