Centro de Promoção de Investimentos
(Investment Promotion Centre)

MISSION

- To provide assistance to investors in the implementation of their investment projects.
- To ensure the approval of investment projects and concession of guarantees and customs and fiscal incentives.

VISION AND SERVICES

We are at the investors' service for the country's development through the following activities:

- Provision of institutional assistance to investors in the implementation of investment projects;
- Identification of potential partners for the establishment of "Joint Ventures";
- Provision of information on Investment Opportunities;
- Promotion and coordination of investment realization processes;
- Promotion and dissemination of the country's image and economic potentialities;
- Reception, verification and registration of investment projects;
- Facilitation and follow up of investment project authorization and licensing processes;
- Monitoring and follow up of authorized projects.
