UNIDO PROJECT ID: SAP 200069

The Project for Promoting Youth Employment through Construction Equipment Operating Skills Training

PROGRESS REPORT
APRIL
2022

PROJECT PROGRESS SUMMARY

o Established a road map with Technical Education, Vocational and Entrepreneurship Training Authority (TEVETA) for Construction Equipment Operator (CEO) Curricula development.

o Successfully conducted Labour Market Survey (LMS) and Training Needs Assessment (TNA) surveys for the construction and mining companies in the Copperbelt and Lusaka Provinces, reached a total of 91 companies for LMS and 71 for TNA.

o Completed digitalization of the M&E manual. The digitalization of the manual will enable efficient means of data entry and analysis.

o Engaged with various construction and mining firms in Zambia and the National Association for Medium and Small Scale Contractors (NAMSSC) for synergies in the CEO curricula development
