

Sun a recognized name in the world of Immigration has assisted over 13000 individuals and families to immigrate to North America since 1989 and have also assisted many students for successful student visa of Canada.

In Pakistan we represent different Canadian educational institutions and have referred them many successful students, completed their student visa applications, which got successful student visas for Canada.

Initially focus of our business was Occupation/Skilled Based Category for Canada but for last more than 20 years, Investor Category has also been added to the list of our growing services. In Pakistan we have been the official representative of National Bank Financials of Canada for the last more than 20 years and have referred them many completed investor applications successfully. For USA, we have been dealing in USA EB-5 investor immigration program for last several years, which requires investment of US\$ 900,000 refundable after 5-6 years.

We have been also working with different brokers in Portugal for Portugal Golden Visa Program, which requires minimum investment of Euro 500,000 in real estate and awards Portugal Golden Residence Card that leads to Portuguese Permanent Residence and eventually Portuguese Citizenship.

Based upon our infrastructure in Pakistan and the qualified personnel, we are prepared to offer as much complete applications as possible based upon our more than 30 years of experience.

Should you be interested to partner with us, we will be interested to take this to the next level.

We look forward to hearing from you and will be happy to respond accordingly.
