

**Startup Name:** Seha Tech

**Founder Name:** Mostafa Tarek

**Gov.:** Cairo

**Mobile No.:** 01099093059

**E-mail:** [mostafa.tarek@sehatech.org](mailto:mostafa.tarek@sehatech.org)

**No. of Team:** 10+

**Project Summary:**

A fully digital third party administration service to manage health insurance policies & programs on behalf of risk carriers or self funded schemes.

We guarantee our payers the best prices and lowest loss ratio at our nationwide network of healthcare providers

**Key Technology:** Health Tech

**Sector Served:** Health and Insurance

**Registration Status:** Registered

**Investment History :**

Egypt-based health insurtech Sehatech has raised a \$850,000 round from A15 and Beltone Venture Capital, a subsidiary of Beltone Holding Company.

Founded in 2022 by Mostafa Tarek, Mohamed Elshabrawy and Omar Shawky, Sehatech aims to automate medical approvals, claims processing and the billing cycle, saving insurers' time and expenses while preventing fraudulent practices.
