“NEW ANDIJAN” CITY

In 2021 President Shavkat Mirziyoyev put the symbolic foundation capsule to one of the biggest development projects in Uzbekistan – “New Andijan” city. It occupies 4000 hectare area and will host more than 400 thousand population. Government allocated 100 million USD for infrastructure of the first phase of the project. Construction work has been started by investors and we are accepting new development proposals.

Government gives subsidies for 2300 houses yearly.
For eligible citizens subsidy cover the following:

10 % of the total amount of the house

Interest of the mortgage for 5 years

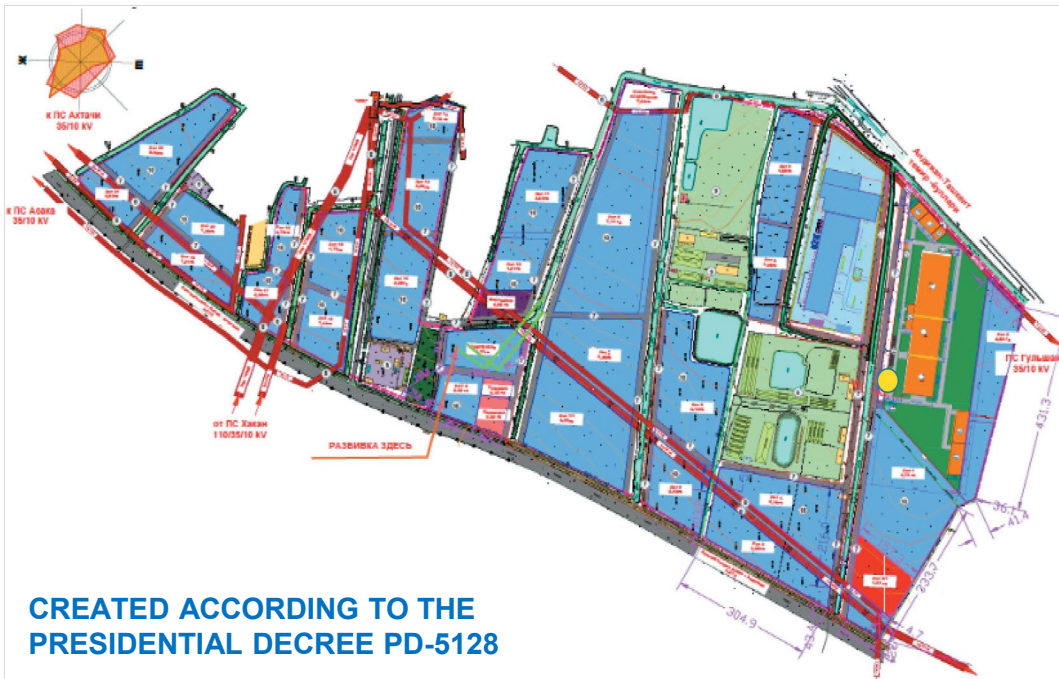

PROPOSAL:
Allocating 80 hectare land plot for Japanese investors for creating exclusive small town with Japanese cultural and architectural elements.
